This is Sari's doing again, huh..

Uh, uhm, hang on...
Hey Tatsumi. Switch to Sari.
It's not your fault.

My name is Kaiya Hayate.
An ordinary high school student in his third year.
Don't you "good morning" me!
HAYATE, GOOD MORNIIIING!

But my little brother Tatsumi is a little out of the ordinary
I thought I told you to stop crawling into my bed like that in the middle of the night.
But...
Sleeping by myself feels lonely
2 months ago this boy's body was taken over by an alien awareness.
That alien calls itself "Sari" and is even now co inhabiting this body
in other words it's kind of like Tatsumi and Sari's consciousnesses are now roommates.
This guy...
You're a boy, so deal with it!
I don't want to, it's lonely
Well, a lot of stuff happened before we reached this point.
(You'd have to refer to Volume 1 for that)

EP

Kusa nagi
Let's go home
DING — DONG
DING DONG
This guy's Kusanagi Takashi.
The distinguished son of a large corporation, he is a talented young man with an atrocious personality. To top it all off, he "likes" me.
sigh
Summer vacation supposedly starts tomorrow but
as far as we're concerned, it might as well not be.
Why?
Well, for someone like you the exams might not be a big deal but they're a serious matter for me.
PISSED
Oh yeah, come to think of it you've been fighting the good fight from a losing position this term.
From position 40
SHUT UP!
I don't wanna hear that from you.
ha ha

EP

By the way you free the day after tomor row?
Why?
Do you want to come to my family s company party?
Huh? Is it okay for some one like me to go?
To tell the truth it's my official presenta tion.
Presentation?
SPARKLE
SPARKLE
By presen- tation, do you mean your debut into high society?
I guess you could call it that.
Actually that's not quite it, but..
Huh? To the party?
Sankyuu
Ah, can I bring Tatsumi too?
I'll go I'll go
Sure

EP

You want me to bring Hayate?
Shouldn't you be able to have your friend celebrate with you?
This will be your day
Not especially.
The old man's up to something.
Does that cause you any inconvenience?
...Does this mean you even went as far as researching my friends now,
father?

Ah...
Kusa-nagi!
What are you spacing out for?
Hey, what am I supposed to wear for the party?
Wear? A suit's fine.
Oh, right.
Why, were you planning to go in cosplay or something?
0—Of course not
I'll even choose a costume for you.
I SAID NO.
— It's fine. Whatever he's scheming, I'll deal with it.

That Kusanagi
What business do commoners like me have at that kind of party?
WUFF
WUFF
WAH?!
Where the hell did you come from!!
Are you alright?

Hey you!
Can you move this dog...
I'm sorry
You aren't hurt, are you?
I'm... I'm okay
What the hell am I doing, ogling a guy like that
HA
Um...?

Well then, see ya.
Still,
I guess that there really are beautiful people in this world.
What a waste that it's a guy.

This has got to be Kusanagi's EVIL influence.

Jet
JET!
He's always the first to come out and greet me.
It's been a while, Takashi.
I just borrowed Jet for a bit.
Kyouya!?
WUFF

What did you do to him?
c'mon now
SLOMPER
Do to him? i just took him walkies
GRAB
DON'T TOUCH JET!
I trust you just about as far as i could throw you.
You certainly know how to make your cousin who s just returned from 3 years in America feel welcome.
Well, well.
You two don't seem so amicable.
CRUNCH

Father
Didn't you used to get along so well?
Oh, did we?
How unusual seeing you back here at this hour
Looks like there might be a spot of rain, doesn't it father
A little rain will just help cool things down.
See you at dinner.
That two-faced old man...

EP

11 years ago on that summer day that I spent with Kyouya,
Why don't you ask yourself that question.
Say, what did I actually do to make you hate me so much?
He'd been the treasure handed to me on my 5th birthday.
My beloved dog vanished.
Hey Kyouya don't you know where my Willy is?
There was no proof, but I was convinced that it'd been done by Kyouya.
A few days later, amidst the thick foliage in the back garden, I found the blood-smeared collar.
Dunno. didn't he just run away?
Back then, he just smiled as he watched my tears flow.
EP

After that I no longer smiled when talking to him.
Elite parties really are something else, huh.
How could I?
Takashi.
Hayate?
It's you, from before!
Oh, so you're Takashi's friend.
Ah...
Obvious cover
EP

Hayate, there's a ton of tasty looking stuff over there.
Oh, really?
I met him by coincidence near my house the day before yesterday
You were taking your dog for a walk weren't you?
Coincidence my ass
Let's go Tatsumi! Eat till we burst!
Just you fucking try to do something to Hayate.
If you really think I'm going to let you get away with it
More importantly, my honoured uncle is calling, we have to go
...I get it already
Oi!
That guy
is he important to you?

Ladies and gentlemen, today I would like to introduce the two young men to whom we will entrust the future of our organisation.
They may still be young
However, I believe that it is common knowledge that, acting as members of this group, they have already achieved numerous successes
Takashi-kun is still just a high schooler, right?
CHEW CHEW
Geh, what are they talking about?
And at 23 Kyouya kun's apparently already completed his second University degree
I heard that substantial alterations were made to a previous project in response to Takashi kun's suggestions, leading to some major progress
Amazing
Come to think of it,

What the hell...
...Nii-chan?
I don't know this Kusanagi at all.
I think it's safe to say that they're in a league of their own.
It's unfathomable to mere mortals like us
BADUMP
Hayate-kun
Stop it, you jerk.
Don't smile like that when you're talking to people you don't even know.

GLUG
DOWN THE HATCH!
Ooh the boy can drink.
You're not going to say that you've never had it before, right?
Here you go
Is that alcohol?
Ah... you're... um...
Just when did he...
It's Kyouya Takashi's cousin.
You should have a lie down, Hayate-kun.
Looks like you've overdone it.
WOOZY
Eh...
No way, am I already drunk...?
CLANK
Kyouya with Hayate!?

HAYATE-KUN S SO CUTE WHEN HE'S DEFENCELESS.
Makes me want to tease him. ♥
Say Alex. If I hurt him Takashi'd get angry, right? Think he'd kill me?
Kyouya sama...

CREAK
GET OFF HAYATE!!
PANT
PANT
Kyouya, you fucking bastard...
Ah the shining knight appears What a shame.

You drugged him didn't you.
Just a little.
FLICK
I told you I wouldn't let you get away with it!
So you did.
But I just couldn't help yourself. I wanted to see your angry expression no matter what.
Is pissing me off that much fun?
Yup, it's great fun
CATCH
!
DON'T FUCK WITH ME!

Take your hands off, Alex.
Just let him go, Alex.
My apologies.

Mmh
That idiot
Mm.
SLAP

Hayate, wake up
Nnh~~~? Kusanagi~~~?
Will you just walk properly!
You can't go on sleeping for ever! We're going home.
Don't fall asleep, Hayate!
START

Hayate..
Turn this way..
Must be a side-effect of the drug..
The sleepiness is.. but I feel sick..
Is it out of your system yet?

I'm going to make you throw up
.....!!
Open your mouth.
You can't be..

GYAA—

COUGH
COUGH
I can't believe you just did that, Kusanagi.
COUGH
COUGH
COUGH
You feel better though, right?
..fuck you ※
My fault?
This whole thing is your fault!

Hayate...
You left me completely to my own devices...and what's more you seemed perfectly fine with it.
If you hadn't done that, I wouldn't have downed that alcohol the way I did
...That time...I seriously
thought that you were living in a different world to mine.

When you were surrounded by people I didn't know
You looked like a stranger yourself.
SHOVE
SIGH
You moron!
Quit it, idiot!
I just barfed!

Stop...
Nh...
Aaah this is really bad.

Why am I not immune to his kisses?
We're on the street, you know.
Or didn't you notice that we're in a public place?
Doesn't matter.
HAH
ARGH! I forgot Tatsumi!!
Though I say that, I seem to be getting corrupted myself...
Doesn't matter, he says... everyone can see us.

Nah, actually Kyouya-san...
Huh? You went back home? What, by yourself, Tatsumi?
Kyouya san took you home!? Seriously!?
I SAID IT!
Uuh!?
??
ARE YOU SURE!?
Ye, yeah, I said it.
DID YOU REMEMBER TO SAY THANK YOU PROPERLY FOR DOING THAT!?

EP

Stupid Nii chan.
Stop always treating me like a little kid who can't do anything by himself
But... I hate it when he does everything for me. I feel like I'll grow up incapable of anything and it's embarrassing.
...Yeah, I know that Sari.
Tatsumi.
Hayate treasures you.

Ah...
Hello!
look look what pretty person
Kyouya san
Even though it's summer holidays you have exams to take don't you
Yeah, I'm taking supplementary lessons to prepare for them
Oh I see
Erm, if you're looking for Kusanagi, he said he had some business with the teacher
Nah, that's okay
You're the one I wanted to see, Hayate-kun

Don't worry about it. It's only natural that Takashi's friends are also my friends.
Um, long ago, were you and Kusanagi..?
Hn? Is he joking?
Not only me but also Tatsumi caused you nothing but trouble.
Ah, um, thanks so much for what you did yesterday
Even from childhood, I know him really well
Do you like Takashi?
Well, he was always acting like an adult so he wasn't very cute at all
What kind of child was he?
EH!?
Ah, I can just imagine that!

I... like...?
BLUUUUUSH
?
I'm envious...
I want to be able to get along with Takashi too, but
you know, if you look at our positions we're technically rivals, and that causes all sorts of...

Oh, Hayate.
Didn't you go home ahead of me?
CLOSE
STAFF ROO
Sorry for having disturbed.
Hey, what do you think of Kyouya san?
What s this all of a sudden?
GRRR
Asking for advice? Don't make me laugh.
What kind of crap has Kyouya been spewing this time?
What do you mean, spewing.. he was asking me for advice, saying he wants to get along with you.
So what?
You're cousins right? Connected by blood?
Don't you feel like fixing your relationship with him?

You're an idiot, Hayate.
Stop butting into our business when you don't know the first thing about us!
You put way too much trust in people you don't know
That's exactly why I went to all this effort to get far away from that guy
I just feel sorry for Kyouya san!
Feel sorry for him?
What "true nature", don't talk like that
This isn't like you.
SHORT
He's simply been deceived
Do you even know his true nature?
EP

Shut up
SHAKE OFF
You don't know anything, Hayate
I'm saying it exactly the way I see it
PISSED
You
How he feels?
...So you don't give a shit about my feelings on this?
Can't you just try to understand a little how Kyouya san is feeling?
Just how long are you going to continue with that childish attitude of yours!

Kusanagi!
Wha- what're you doing?
GRIP

Are you saying they don't matter?

I want to protect you

And yet you're making me act like this.
Remember that.

Please don't make me be like this, Hayate.
